

Trail Historical Society

The Trail Historical Society is attempting to expand its membership base and gain broader community support for its activities and the operation and maintenance of the Trail Museum, Sports Hall of Memories and Trail City Archives.

The Society requests you consider becoming a member in one of the three categories noted below. In return for your support, you will receive free admission to the Museum for yourself and/or your family, a semi-annual newsletter containing Society news, upcoming events and historical notes, and 10% off all Society merchandise, including vintage Trail Smoke Eater™ memorabilia.

The Trail Historical Society is organized to collect, preserve and make available to the public, the history of Trail. We are very active in the community and hold semi-monthly meetings in City Hall. With your support, we can continue to improve our facilities and undertake projects to celebrate our community's significant heritage.

JOIN US TODAY!
